Stella Tayler

Natural emotion

*Ogni sfumatura della natura si anima sotto il tocco nobile della seta lucente.
 Lei è quasi adolescenziale eppure così intensa e bellissima.
 Favola e saggio, femminilità concreta.*

PIRELLA GÖTTSCHE LOWE

A refined scent

*La magia del bosco pervade l'animo dell'abito e diventa un racconto
incantevole di macramé laminato e tulle argenteo come la luna.
La modernità emana un raffinato profumo.*
